## **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:

The present application relates to an instrument reference flight display system for horizon representation of direction to next waypoint, wherein at least one symbol of a next waypoint is located on the horizon line of a primary flight display. According to the claimed invention, there is provided generating a primary flight display, wherein the primary flight display being located on an instrument panel and generating at least one of a current or next waypoint symbol on the display at the horizon. The aforementioned limitations and arrangement thereof are not taught in the prior art. In light of the foregoing, the claims of the present application are found to be patentable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jacques H Louis-Jacques whose telephone number is 703-305-9757. The examiner can normally be reached on M-Th 6:30 AM to 5:00 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Thomas Black can be reached on 703-305-8233. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
